

TERMS of COMPETITION for the HANDICAP FOURSOMES

Handicap Foursomes Stroke Play

1. Each club may enter one team into the stroke play qualifying event.
2. The Handicap Index range is 6.0 to 14.9.
3. Players with a higher Handicap Index (HI) may play but for the purposes of calculating their Playing Handicap a maximum HI of 14.9 must be used.
4. For the purposes of determining eligibility Handicap Indexes will be those applicable on the Monday preceding the qualifying competition.
5. Subsequent adjustments will not affect eligibility to play but the latest Handicap Index must be used to calculate their Playing Handicap.
6. In the Stroke Play qualifying event the handicap allowance is 50% of the combined playing handicap.
7. Teams returning the 8 lowest nett scores will qualify for the Match Play stages of the competition.

Handicap Foursomes Match Play

1. Following completion of the qualifying competition a seeded draw will take place and be published on the website.
2. The Competitions Committee will determine the venues and play by dates for the Match Play stages of the competition.
3. The quarter and semi-finals of the competition will be over 18 holes. If after 18 holes the match is tied, then sudden death will occur to determine a winner.
4. In the match play stages of the competition a stroke allowance of 50% of the difference between the combined Playing Handicaps will be given.
5. The final will be played over 36 holes on the date, time and at the venue detailed in the fixture list.
6. On completion of the quarter and semi-finals the winning pair must communicate the result to the Competitions Secretary.
7. Where a result is not provided by the play by date then both teams will be disqualified.
